STATUS PRO CONSULTING

Improving Project Performance

About Us

Status Pro Consulting has been established in 2004, and is providing professional IT Project, Program and Portfolio Management Services

The name Status Pro Consulting results from a wordplay between the Latin '**Status** Quo' (meaning 'current state') and im**Pro**vement, meaning: whatever the current status of Your Projects, our services will result in **Improved Project Performance**

Business Objectives

- To provide independent and unbiased IT Project, Program & Portfolio Management Services incl. Reviews, Advice, Coaching and Support
- To utilise our experiences, skills and abilities to demonstrably contribute to organisation's developments and successes
- To be recognised, recommended and sought after as trusted Experts, Advisors and Coaches in all aspects of IT Project, Program and Portfolio Management

Background & Experience

My name is Lutz Bendig, and I'm the Founder, Owner and Executive Director of Status Pro Consulting.
